"In no other way can the believer become as fully involved with God's work, especially the work of world evangelism, as in intercessory prayer." - Dick Eastman, president of Every Home for Christ

OpenDoors

An Iranian Christian woman testifies:

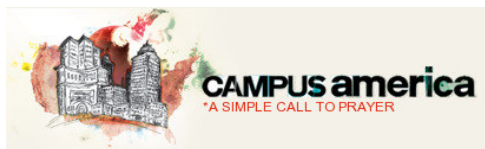

"We are so encouraged by prayer and to know that many people are praying for us. We still struggle to adjust to all we lost, but God is showing us His faithfulness and His stability. Please pray for my children, that they would be willing to serve the Lord and that all that has happened would strengthen them, not weaken them.

"And pray for Christians here that they would be mature and strong in their faith no matter what happens. There are others in prison at this time."

She went on to ask that we pray for her as a woman, a wife and a mother. "I want to serve the Lord in the best way. Pray I will be ready for more service even if it means more pain, whatever brings more glory to God."

Her family is just one of a multitude of families in Iran and across the Muslim world who need prayer support.

Do hard stuff

The American culture has set incredibly low expectations for students. They are expected to get an education, party like

crazy and play video games.

They've decided to rebel against these small expectations and do something about it. Living on campus they know how messed up things are. Truth is, ONLY God can fix it. So they've decided to take their appeal straight to God... in mass. They have decided to pray until God moves into the dorms, hijacks the lectures and drives them to repentance. They are committed to pray His Presence right down into the heart of campus life and then deal with the consequences.

It is time to pray. It is time to kneel before God, grab his ankles and shake Him in prayer with such determination that He releases his Presence on

hundreds of colleges across America. It will take prayer, fasting, repentance and determination to wrestle with God in prayer on behalf of our friends and our world. They will get together, love each other deeply, pray like crazy and confess the sins they have committed, to own up to their individual sins, seek God's forgiveness and pray like crazy.

No one has ever mobilized massive prayer like this for all the colleges and universities of America. But they want to attempt the impossible, so that everyone will know that God did it!

Join the year of prayer. Begin praying NOW. Gather a few friends and start praying. Start dreaming together about what could happen if you accepted the challenge to pray 24-7 for seven consecutive days... or longer if you can. C'mon... take the challenge.

24-7 Prayer in the Netherlands

All prayer rooms are open to receive all visitors. These places are not exclusive clubs. Every house of prayer has been created with the vision to be a place where all Christian brothers and sisters can come to pray. The work of 24-7 prayer is to serve the body of Christ with locations where they can get together and seek God's face. Every Christian, regardless of church or denomination is welcome to come and pray. Anybody who would like to help build more Houses of Prayer are more than welcome to join the team of 24-7 prayer.

Join the Back to Jerusalem Prayer Team

This is a world-wide e-network of ordinary believers, representing different countries, cultures, age groups and denominations, united in prayer with our brothers and sisters in China. We are privileged to stand shoulder to shoulder in prayer – and bear the vision for missions.

When the Back To Jerusalem vision was first given some sixty years ago, it was clear that prayer and intercession would play a major part in this vision. Prayer will continue to be one of the primary activities as the movement goes forward. The battle for the souls targeted by this vision will be fought – not only along the Silk Roads – but first against the powers and principalities in the heavenly realms.

By giving your email address, you will be joining thousands of other prayer partners and committing to consistent prayer and intercession for this unique move of God through the Chinese church.

This is about the Great Commission. Our family in Christ in the great country of China is taking this very seriously. They need all the prayer support possible.

Prayer
Network**

Clearing the Way for Jesus

The Prayer Network has been praying for the Illawarra (Australia), suburb by suburb, in preparation for the “*Jesus. All about life*” outreach campaign. There are 26 churches in this area making it the spiritual centre of the Illawarra. It is also the business centre where are found the Wollongong local government offices, State and Commonwealth regional offices, the centre of law and order at the Court House and adjacent Police Station, and the retail shopping centre.

“*Jesus. All about life (JAAL)*” outreach campaign

The Internet Campaign starts 7/9/09. This is where people express their thankfulness to Jesus on-line at the Bible Society JAAL website and encourage other Christians to do so too. We see this as part of the first stage in spiritual warfare where Christians say prayers of thanksgiving, praise God for all he has done, worship Jesus as Lord and Saviour, and do whatever we can to change the spiritual atmosphere over the Illawarra so that the campaign will impact lives with the love of God.

The Outdoor Campaign from 13/9/09. This is where the JAAL banners and signs go up and the community sees the church as being unified in Jesus. The JAAL South Coast Region now has **126** registrations, with **65** Illawarra churches participating
