One can believe intellectually in the efficacy of prayer and never do any praying. --Catherine Marshall

### **Onething'09 at IHOP. December 28-31 2009**

A great revival is coming to the Church worldwide that will change the understanding and expression of Christianity. The Lord is raising up a forerunner generation of young adults with a foundation of intimacy with Jesus and love for others—a foundation that produces dedication to works of justice, missions, and outreach as these young adults embrace God's plans for the end times. These burning and shining ones will declare the coming of the Lord in the power of the Holy Spirit.

Ten years ago, in 1999, a few young adults gathered together in Kansas City for a prayer meeting that has continued night and day ever since. The International House of Prayer in Kansas City conducts eighty-four two-hour prayer meetings a week, all led by worship teams. Over 1,500 people are involved full-time at the IHOP-KC Missions Base.

This December 28–31, many young adults will gather in Kansas City to worship, pray, and hear messages that will help equip them to answer the call to abandonment to Jesus. They are committed to the Sacred Charge—a commitment to a lifestyle of prayer, fasting, bold proclamation of Jesus, works of justice, extravagant giving, holiness, and diligent leadership in preparation for the Lord's return.

The onething'09 conference is a gathering of young adults who have set their hearts to discern the times and live with abandonment and devotion to Jesus. Come this December and join thousands of others with like heart and like mind to pursue this call to one thing.

## **A National Week of prayer against crime, violence and corruption: 23-29 November 2009 in South Africa**

The South African nation has been called to a week of intense prayer about the issue of violence, crime and corruption in our nation. Everybody is effected by violence. Many suffer. People from all walks of life and in all suburbs and townships suffer. Women and children suffer through increasing domestic violence, caused by alcohol abuse and other forces that cause violence. Cape Town has been identified as the 5th most violent city in the world and Johannesburg is number 20. Corruption, crime, violence, violent crime, murder, rape, abortion, domestic violence, etc is rampant in South Africa.

All Christians are encouraged to take **23-29 November** to pray for one week with all seriousness, repentance and commitment about this. **All churches and 24/7 prayer watches nationwide should use this week to pray against crime, violence and corruption.**

### **HOUSE OF PRAYER: DE BETTELD**

During the past few years a strong yearning grew to have one place where 4 things could come together: Prayer, Worship, Biblical education and pastoral ministry. We started talking to 24-7 Prayer in the Netherlands, with people from "IHOP" in Kansas, and with people of Global Day of Prayer under the leadership of Graham Power from South Africa. A passion to unite our strenght was kindled.

According to Gerhard Hopelman they now have a team that will start with 2 partner projects early in 2010, namely the European House of Prayer and the European House of Worship.

From Easter 2010 they will start a program focusing on the 4 points of prayer, worship, education and caring for people. Though it will kick off in the Netherlands, it will have an European character.

The idea is to engage all prayer networks in the Netherlands as well as the rest of Europe. They would like to use all the mid-week times except during holidays for worship. Worship teams of churches as well as worship bands can participate in this project. The program for the Netherlands will be

available in the media, much like it is done with IHOP. Internet TV channels as well as the media alliance "Nederland 7" will be used to communicate the program to everybody.

They want to build bridges. To work together in God's Kingdom as Christ's ambassadors in the community.

### **DANIEL PRAYER NETWORK**

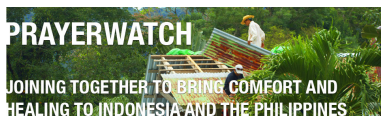

Daniel Prayer Network (DPN) is a group of Christians who want to see God's righteousness being established on the earth by 24/7 worship and intercession.

They have weekly meetings of worship and intercession in Amersfoort and Ede, Holland in Prayer Rooms. They pray for mission organizations like World Vision and TRIN. They lead worship and provide intercession on conferences and make prayer journeys to the nations.

As a network they would like to see a new wave of worship, praise, adoration, relationship and intimacy to overrule lives as a response to the love, grace and life of Jesus. Jesus longs for His Bride and wants to be praised and honoured. DPN wants to hear the sounds from heaven, release them on earth so that His will be done on earth as it is in heaven.

DPN is very active in the Kingdom of God. From central Asia to Africa, from The Netherlands to Surinam, they organize prayer-journeys (Caleb trips) to many nations going as an individual or as a group to seek the Father's destiny for that particular country or area. Every trip is birthed out of intercession and relations and the core of every journey is Intimacy with the Father.

### ***PRAYER WATCH – JOINING TOGETHER TO BRING COMFORT AND HEALING TO INDONESIA AND***

### ***THE PHILIPPINES***

Members of the TMC Youth team in Boston connected with Camille, Marivic, and others to share prayers, inspiration, and hymns in response to the recent typhoons and flooding in the Philippines and the earthquake on the island of Sumatra, Indonesia.

They have a global prayer watch for these countries and invite other Christians to join their watch. The need is ongoing; citizens are still regrouping and another typhoon is expected to hit the Philippines.

TMC (THE MOTHER CHURCH) is a diverse community with a shared vision: to make some spiritual noise. In a world focused on materialism, they believe their spirituality can make a big difference.
