Let the fires go out in the boiler room of the church and the place will still look smart and clean, but it will be cold. The Prayer Room is the boiler room for its spiritual life.

**World Weekend of
Prayer for children at
risk. 5-6 June 2010.**

Viva has facilitated the World Weekend of Prayer for children at risk since 1995. The scale of this weekend has grown over the years and now, as they partner with many prayer ministries and networks, millions of people join us each year to pray for and with vulnerable children.

They come together to pray that children all around the world would know the love of Jesus in their everyday lives, and be able to claim for themselves God's incredible offer of abundant life. They also pray that as a result of these prayers more people will be mobilised to manifest the love of God to this generation.

Please consider praying over this weekend, and perhaps even holding an event of your own. <http://www.viva.org>

Iran. Maryam & Marzieh:

Acquitted and free. Fourteen months after they were arrested for their Christian faith and activities, Maryam Rostampour and Marzieh Amirizadeh have been acquitted of all charges by the Iranian

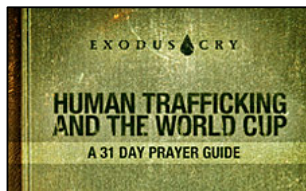

judicial authorities. However, they were warned that any future Christian activity in Iran will be seriously dealt with.

On Saturday May 22, 2010, they left Iran and arrived safely in another country. Maryam and Marzieh are eager to thank Christians who have been praying for them. "We are most grateful to everyone who prayed for us," Marzieh said, "I have no doubt that God heard the prayers of His people." Maryam added, "I believe our arrest, imprisonment and subsequent release were in the timing and plan of God, and it was all for His glory. But the prayers of people encouraged and sustained us throughout this ordeal."

World Cup 2010 Outreach South Africa. June 11- July 11, 2010.

Exodus Cry will be taking a team of intercessory abolitionists from across the nations to take a stand on the ground in South Africa during the 2010 World

Cup. As representatives of the body of Christ we are declaring the Lord's zeal for justice and righteousness over the oppressed of the Earth caught in the cycle of human trafficking and sexual exploitation. This window of time during the World Cup represents a moment of crisis when all

the contributing factors in the global slave trade will converge in one nation for a thirty-one day period. "You who make mention of the Lord, do not keep silent, and give Him no rest till He establishes and till He makes Jerusalem a praise in the earth." – Isaiah 62:6-7

Vision: To stand in the gap. (Ezekiel 22:30). To reach out to trafficked and prostituted women. (Luke 4:18). To activate the church of South Africa into their role as intercessory abolitionists. (Luke 18:7-8). To raise holy awareness among the church in South Africa to the realities of human trafficking. (James 1:27). To raise awareness among the thousands of fans traveling to South Africa for the world cup. (Lamentations 1:2 Psalm 10: 12-18).

Maize n' Grace in Northern Ireland

10-12 June 2010. South African farmer Angus Buchan will be the speaker at Maize n' Grace in Northern Ireland. It will be one of the largest nondenominational Christian events to take place in Northern Ireland from 10

to 12 June. This free event is open to everyone in the community. He will be speaking at the Ecclesville Centre in Fintona, Co Tyrone, at 8pm each evening.

The organisers of Maizen' Grace had to find a venue that would be easily accessible from all parts of Northern Ireland but also hold up to three thousand people. Publicity banners have begun to appear in local areas across Northern Ireland. The organisers of Maizen' Grace have gone to great lengths to ensure that this nondenominational event is one that every section of the community will feel warmly welcome.

There are prayer meetings every morning at 7.00 am and every Thursday evening at 8.00pm so wherever you are in the world, join in with us at these times to pray for the event!

GDOP 90 Days of Blessing. As reports start streaming in about prayer events – big and small – from all over the world, GDOP acknowledges that God is Glorified amongst the nations. Yet, we cannot stop praying and therefore we would like to encourage you to download the 90 Days of Blessings prayer guide [HERE](#).

The 90 Days of Blessing follows the Global Day of Prayer as an opportunity for Christians to not only **continue in persistent prayer**, but to actually become the answers to their prayers.

This is an excellent opportunity to challenge the **youth** and **children** to go to the neglected places to pray and serve. Their nature is to be there where they can make the difference, so let's join them in becoming a transformation force in our communities!

The Prayer Guide will challenge you to continue your prayer efforts, but also to become physically involved in the places that we normally pray for. This is our opportunity to become vessels of blessing through prayer and action.
